In this Agreement, "Card" means the TranZonix Prepaid MasterCard Card issued to you by Palm Desert National Bank. "Issuer" means Palm Desert National Bank. "Card Account" means the records we maintain to account for the value of claims associated with the Card. You acknowledge and agree that the value available on the Card is limited to the funds that you have loaded onto the Card, or have been loaded onto the Card on your behalf. "You" and "your" means the person or persons who have received the Card and are authorized to use the Card as provided for in this Agreement. "We," "us", and "our" mean Palm Desert National Bank, our successors, affiliates or assignees. You agree to sign the back of the Card immediately upon receipt. The expiration date of your Card is identified on the front of your Card. The Card will remain the property of Palm Desert National Bank and must be surrendered upon demand. The Card is nontransferable, and it may be canceled, repossessed, or revoked at any time without prior notice subject to applicable law. Please read this Agreement carefully and keep it for future reference.

Obtaining Your Card: The USA PATRIOT Act is a federal law that requires all financial institutions to obtain, verify and record information that identifies each person who opens a Card Account. What this means for you: When you open a Card Account, we will ask for your name, address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

Eligibility; Identity: Identity Verification will be performed on each applicant and we may review your credit history. You must be at least 18 years old, and have a physical address in the United States among other requirements. We reserve the right to decline your application if we are not able to fully verify your personal information.

The Card is a prepaid card. The Card is not connected in any way to any other account. The Card is not a credit card. You will not receive any interest on your funds on the Card. Our business days are Monday through Friday excluding holidays. Saturday, Sunday, and federal holidays are not considered business days, even if we are open. Palm Desert National Bank is an FDIC insured financial institution.

Personal Identification Number ("PIN")

We may, at our option, give you a Personal Identification Number ("PIN"). If we give you a PIN, you may use your Card to obtain cash from any Automated Teller Machine ("ATM") that bears the MasterCard brand and that which requires entry of a PIN. Also, if we give you a PIN, you may use your Card to obtain cash from any Point-of-Sale (POS) device that bears the MasterCard®, STAR®, Cirrus® or Maestro® brand marks and that requires entry of a PIN as permissible by merchant. You must select "Checking" when using your Card for an ATM cash withdrawal. All ATM transactions are treated as cash withdrawal transactions. You should not write or keep your PIN with your Card. If you believe that anyone has gained unauthorized access to your PIN, you should advise us immediately, following the procedures in the paragraph labeled "Your Liability for Unauthorized Transfers."

2. Loading/Using Your Card; Features; Other Limitations

You may add funds to your Card, called "value loading", at any time. You may add value or load your Card via direct deposit, bank ACH direct load, bank wire transfer, or through participating retail load partners. The minimum amount of each initial value load or each value load is \$10.00. A daily add cash limit of \$2,500 per day is imposed on funds added to the Card. All methods of adding cash except direct deposit, bank ACH direct load and bank wire transfer are subject to this limit. The retail load partner may impose additional limitations on the frequency and amount of load transactions. By making loads through the participating retail load partners you agree to abide by the terms and conditions of each such partner. Other than the limitations imposed by certain retail load partners, there is no limit on the number of times you may value load your Card. The maximum cumulative amount that may be withdrawn from an ATM or POS device per day is \$500.00. The maximum cumulative amount that may be withdrawn from a participating bank per day is the available balance of your Card. A daily spending limit of \$2,500.00 per day is imposed on the Card.

When the Card is used for "Pay at the Pump" gasoline transactions, you will need to see the store clerk and have them process the transaction for the exact amount inside the store. If the gasoline transaction is processed as a debit transaction, the merchant will determine the minimum amount needed to authorize the transaction. The authorization amount will vary by merchant.

You may use your Card to purchase or lease goods or services wherever MasterCard debit are accepted as long as you do not exceed the value available on your Card Account. You are responsible for all authorized transactions initiated by use of your Card. If you permit someone else to use your Card or Card number we will treat this as if you have authorized such use and you will be responsible for any transactions made subject to such use. Some merchants do not allow cardholders to conduct split transactions where you would use the Card as partial payment for goods and services and paying the remainder of the balance with another form of legal tender.

If you use your Card number without presenting your Card (such as for a mail order, telephone, or Internet purchase), the legal effect will be the same as if you used the Card itself. For security reasons, we may limit the amount or number of transactions you can make on your Card. Your Card cannot be redeemed for cash. You may use your Card to access cash at an ATM. You may not use your Card for any illegal transaction.

Each time you use your Card, you authorize us to reduce the value available on your Card Account by the amount of the transaction and any applicable fees or charges. You are not allowed to exceed the available amount on your Card Account through an individual transaction or a series of transactions. Nevertheless, if a transaction exceeds the balance of the funds available on your Card you shall remain fully liable to us for the amount of the transaction and any applicable fees or charges. We may automatically deduct any amount you owe under this Agreement from any transfer of value to the Card.

You do not have the right to stop payment on any purchase or payment transaction originated by use of your Card. You may not make preauthorized regular payments from your Card Account. If you authorize a transaction and then fail to make a purchase of that item as planned, the approval may result in a hold for that amount of funds for up to thirty (30) days on normal transactions and up to ninety (90) days on car rentals. When the Card is used for rental car transactions an additional 15% or more will be added to the merchant authorization until the authorization is settled. When you present your Card to a merchant, the merchant may obtain a preauthorization for the transaction. Examples of merchants that perform this preauthorization are hotels, car rental companies, restaurants, etc. A thirty (30) day hold will be placed on the value on the Card in the amount of the preauthorization request made by the merchant. A ninety (90) day hold will be placed on the value on the Card in the amount of the preauthorization request made by car rental merchants. If the merchant's preauthorization request varies from the amount of the transaction the merchant subsequently submits to the MasterCard system, settlement of the transaction may not remove the hold, which may remain on the Card until the hold days have expired. If your Card is subject to a hold, the value on the Card that is

subject to a hold will not be available to you for withdrawal or other purposes, apart from the transaction that was the reason for the preauthorization hold.

3. Returns and Refunds

If you are entitled to a refund for any reason for goods or services obtained with your Card, you agree to accept credits to your Card for such refunds.

4. Foreign Transactions

If you obtain your funds (or make a purchase) in a currency other than the currency in which your Card was issued, the amount deducted from your funds will be converted by MasterCard Worldwide Inc. into an amount in the currency of your Card. The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by MasterCard Worldwide Inc. from the range of rates available in wholesale currency markets for the applicable central processing date, which may vary from the rate MasterCard Worldwide Inc. itself receives, or the government-mandated rate in effect for the applicable central processing date. This percentage amount is independent of any amount taken by the Issuer in accordance with the following section of this Agreement.

If you obtain your funds in a currency other than the currency in which your Card was issued, the Issuer will increase the currency conversion rate (described in the immediately preceding section) by an additional 1% and will retain this amount as compensation for our services. This charge is independent of the currency conversion rate established by MasterCard Worldwide Inc.

5. Receipts

You should get a receipt at the time you make a transaction or obtain cash using your Card. You agree to retain your receipt to verify your transactions.

Also, if you become aware of and/or your statement shows transactions that you did not make, notify us at once. If you do not notify us within sixty (60) days after you became aware of the transactions, and/or after the statement was made available to you, you may not get back any value you lost after the sixty (60) days if we can prove that we could have stopped someone from taking the value if you had notified us in time and you are grossly negligent or fraudulent in the handling of your Card. If your Card has been lost or stolen, we will close your Card Account to keep losses down.

11. Other Terms

In no event will we be liable for consequential damages (including lost profits), extraordinary damages, special or punitive damages.
